A Message from Supervisor Rich Schaffer

Dear Resident:

On behalf of my colleagues on the Town Board, I would like to wish you a Happy New Year and thank you for doing your part to help Babylon maintain our fantastic reputation as an environmental leader on Long Island.

This calendar has everything that you need to know about garbage, yard waste and recyclable pickup. See the months of March and July for complete pickup information. Make sure to take advantage of our S.T.O.P. (Stop Throwing Out Pollutants) Days on April 14th and October 13th so that household hazardous wastes are safely disposed of. For more information about S.T.O.P. Days, please see the month of April.

As you know, new regulations from New York State were put into place last year regarding electronic waste (e-waste). Please review the top of the March page for information about how to now properly dispose of your e-waste.

Inside you will also find important information about Town of Babylon services and programs, as well as exciting news from our community. Make sure to take a look and see what is available to you as a resident.

I thank you for doing your part to help protect Babylon's environment. Have a great 2018!

Sincerely,

A handwritten signature in black ink that reads "Rich".

The efforts included exterior improvements to all of the facilities. For more information about the Town’s Beautification Program, visit www.townofbabylon.com.
